Exciting Days Ahead for ACC!

Have you noticed how many new houses are being built near our church and heard the statistics about how fast our community is growing? When you come to church, have you noticed that we have tons of new faces and families who are looking for a new church home? So have we! As we look around, we see that there is a growing need for more space in our classrooms, lobby, Worship Center, Student Ministry, and especially Children's Ministry. Have you walked down the children's wing on a Sunday recently? It's crazy busy and packed to the brim!

To answer these growing needs, the leadership of ACC has been exploring ways to be ready for the influx of new people who move into our community and need to meet Jesus. We feel one of the best ideas is to build a child development center that will offer faith-based full-and part-time children's programming throughout the week, plus provide top-notch much-needed room for our Children's Ministry programming all week! Other plans include expanded areas for fellowship, Student Ministry, and a state-of-the-art larger Worship Center. More information is on the way. Be watching for it!
