Remember to Not Forget

Deuteronomy 8:10-18

**Memories from the _____ help shape your
thoughts about the present and the future!**

**Faith is strengthened by the memory of
moments of _____ intervention!**

**"God Moments" are those times when God reaches
down to personally "TOUCH" your life and they include
the five following touches:**

1) T _____ Revealed – a moment when
God speaks to you through the Bible, a God-inspired message,
the wise counsel of a trusted friend or a still small inner voice.

John 16:13 – "But when he, the Spirit of truth, comes, he will
guide you into all truth."

* When a verse, passage, theme of Scripture or sermon speaks
directly to you.

2) O _____ Intervention – a moment when
God protects you, rescues you, or makes a way out for you.

2 Peter 2:9b – "...the Lord knows how to rescue godly men from
trials..."

1) Recall any near-accidents, major mishaps, or threatening
circumstances from which you have escaped.

2) Acknowledge any other moments that could have brought
disaster but didn't.

3) U _____ Blessing – a moment
when God gives you an unexpected gift or quickly and clearly
answers a prayer.

James 1:17 – Every good and perfect gift is from above, coming
down from the Father of the heavenly lights.

1) Resources that come in timely or unexpected ways.

2) Responses to your prayers that point directly to God.

4) C _____ Adversity – a
moment in which God sustains you in a difficult time and
makes you stronger through the test of adversity.

Romans 8:28 – And we know that in all things God works for the
good of those who love him, who have been called according to his
purpose.

* Review your past for moments of adversity that later proved to be
a time of important growth and learning or may have prepared you
for any future roles or responsibilities.

5) H _____ Attraction – a moment when
God inspires you to take the high road, enables you to resist
temptation, or leads you toward a healthier path.

John 16:8 – "And when he comes, he will convict the world
concerning sin and righteousness and judgment..."

1) Recall those times when you have been motivated and moved to
respond to situations with the love and grace of God while at the
same time being tempted to ignore them.

2) Remember moments in your life when you have felt drawn to do
what is right when there was clearly the option to do wrong.
